- The information provided above is updated quarterly and may not reflect recent changes.
- If you are attending a branch campus, the information provided here may be for the main campus. *College Scorecard* may have more specific information.
- The amounts for tuition and fees apply to full-time, first-time degree/certificate-seeking students.
- **Net Price Average** is the average yearly price charged to full-time, first-time undergraduate students receiving student aid at an institution of higher education after deducting any grant and scholarship aid received. Average Net Price provides students and families with an idea of how much a first-time, full-time undergraduate student who receives grant/scholarship aid pays to attend a particular institution after subtracting out that grant/scholarship aid.
- **Graduation rate** is the percentage of a school's first-time, first-year undergraduate students who complete their program within 150% of the published time for the program.
- **Retention rate** is the percentage of a school's first-time, first-year undergraduate students who continue at that school the next year.
- **Transfer rate** is the percentage of a school's first-time, first-year undergraduate students who transfer to another college within 150% of the published time for the program.
- NA indicates that information is not available from *College Scorecard*.
